

Warrender Home Learning

Year group: 2

Term: Summer Term 2, 2026

Home learning is a valuable way to strengthen the skills children develop in school. Some of the activities on this grid are required tasks, while others are optional challenges designed to enrich learning at home. We encourage families to enjoy these activities together and celebrate the progress your child makes. Where possible, complete activities directly in the home learning book, encouraging best presentation and handwriting.
