

# Instructions for Making a Saxon Helmet Paper Model

1. Cut around the edges of the five helmet parts by following the solid black lines.
2. Next fold down the dotted lines to create valley folds.
3. Fold up the dashed and dotted lines to create hill folds.
4. Apply glue to tab 3 and stick this to the matching gold section which also contains tabs 1 and 2.
5. Apply glue to tab 1 and stick this to the matching side section which also contains tabs 5 and 9.
6. Apply glue to tab 2 and stick this to the matching side section which also contains tabs 6 and 8.
7. Apply glue to tabs 8 and 9 and stick these to the corresponding section which also contains tab 3.
8. Apply glue to tab 4 and stick this to the adjacent section of the same helmet piece. Do the same for tab 5.
9. Apply glue to tabs 6 and 7 and stick these to the underneath of the top of the helmet.
10. Your Saxon helmet is complete!
