

Ideas of an Anglo-Saxon God

Make a list for each section. How many can you come up with? The more you can think of the more you have to choose from.

Create some names	Special objects	Special animals	Special Power
Balster (M) Frel (F) Saxki (M) Eonot (F) Thuden (M) Wodnot (F) Fralder (M)	Spear bow and arrow hammer spinning wheel sword fishing net plough bowl	bear chicken wolf fox badger rabbit hare eagle hawk	create lightning able to disguise themselves guide a spear arm protect guide make things grow -

Once you have made your lists think about which ones you are going to choose to create your God.

Why should the Anglo-Saxons ask your God for help?

to help make sure there are always enough eggs
 so that the chickens do not get taken
 Is anything named after them?
 Wodnotten - a special type of fence to keep chickens in and
 other animals out.

What special things have they done?

Protect the chickens from being taken
 make sure they lay lots of eggs
 What makes them so important?
 Goddess of the farmyard
