CREATE A SHARE A STORY READING STARS DISPLAY

Celebrate your Share A Story Reading Stars by creating a display for World Book Day! Get the children to paint, decorate and make the stars as glittery as they can, then add a picture of each child in the middle – either sharing a story with you, each other, or at home with their families.

Send a picture of your display to hi@worldbookday.com for your chance to win 25 of the best picture books to share.
