We are learning to make repeated patterns using 2D coloured shapes

finish the pattern above by cutting out the shapes below...

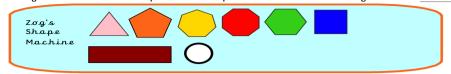

We are learning to make repeated patterns using 2D coloured shapes

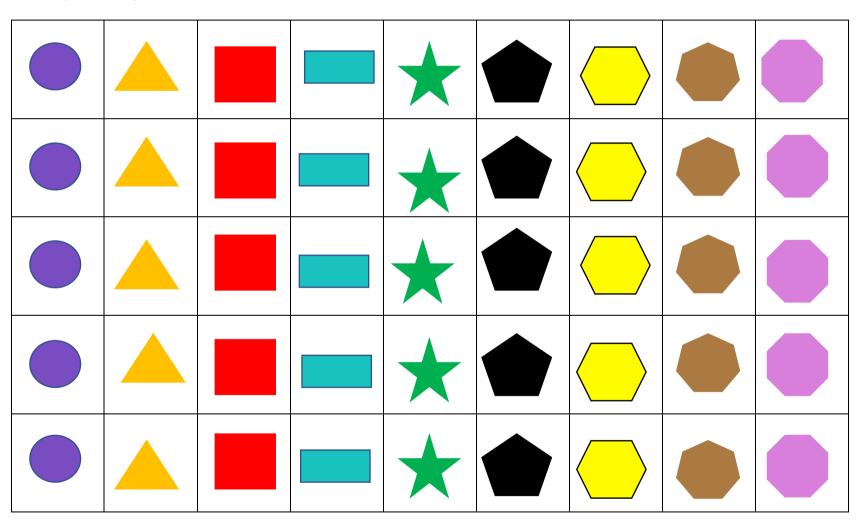

CHALLENGE: Make your own patterns to send to your teacher!

*	*	*			

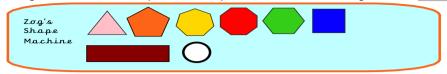

We are learning to make repeated patterns using 2D coloured shapes

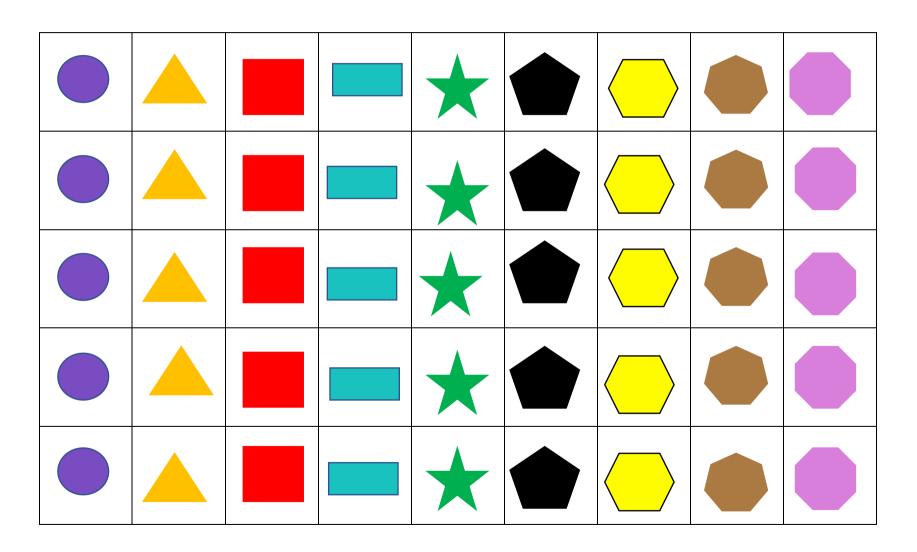

Can you cut these shapes out to finish the repeated patterns? With the shapes you have left over you could make your very own repeated pattern!

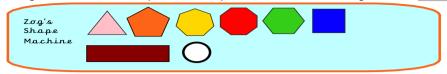

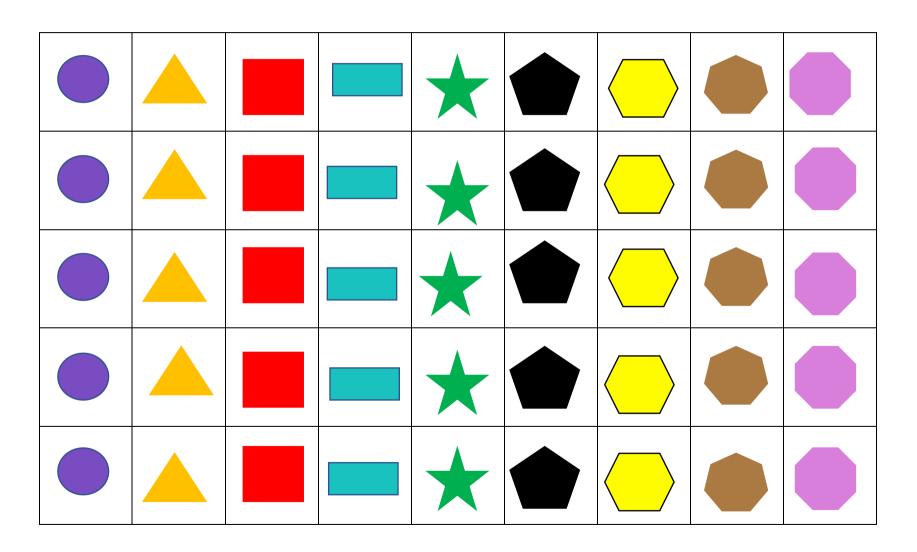

We are learning to make repeated patterns using 2D co<u>lou</u>red shapes
